MONTHLY CORN ASSESSMENT REPORT

Monthly Report of Corn Assessment Fee Collections
(SEE REGULATIONS & PROCEDURES FOR ASSESSMENT ON BACK OF FORMS)

INSTRUCTIONS

1. Complete the following form, showing the volume of corn purchased from the first to the last of the month, and mail original to the address indicated at the bottom of this report. If no corn is purchased, please submit a zero report. **The yellow copy is for your records.**
2. Remittance should be made by check payable to the Grain Commodity Fund and mailed with this form no later than the 15th of the month following purchase.
3. *If any merchandising fee is unpaid on the date on which the fee was due and payable, a penalty of one percent per month shall apply from and after that date until payment plus penalty is received.*

REGULATIONS AND PROCEDURES for the collection of the assessment fee established in accordance with Sections 275.300-370 RSMo (1969) as amended:

COMMERCIAL PRODUCTION

1. The assessment fee shall be collected on all corn marketed in Missouri regardless of where it is produced.
2. Collection of the assessment shall be made at the point of first sale by deducting the fee from the total amount due to the producer.
3. Truckers who purchase corn, or who transport and sell farmers' corn through their grain dealer license, are considered first purchasers and required to collect the assessment fee.

SEED PRODUCTION

4. Seed producers who sell seed to other growers shall collect the fee from themselves at the point of first sale.
5. Retail seed dealers who buy corn seed shall collect the assessment fee from producers at the point of first sale.
6. Corn seed that is grown under contract or which is sold on consignment basis shall have the assessment fee collected at the point of first sale.
